candia

The leading drinking milk brand in France, Candia has given new life to this market by creating a new generation of milk products which place the emphasis of health, enjoyment and taste.

In parallel with its GrandLait range, Candia has developed products resp specific needsof children and adults, such as **Croissance** (toddler milk d iron), **Viva** (with guaranteed vitamin content or enriched with proteins or **Silhouette** (skimmed milk with vitamins or added fibres), **Calcium plus** (vitamin enriched), Menu Minceur (hypocaloric meal substitute), **Candy'Up** (with guaranteed vitamin content) and **Candy Maxi** (flavoured liquid brea **Fruit** (sterilized milk drink with juice) and **Recette de chocolatier** (traditi drink).

Candia offers also a fresh product range with **Grandlait frais** (fresh milk) (organic milk), **Viva Fruit Frais** (fruit juice milk and fermented milks).
